## THEME: DARE TO DREAM

Dear Parents/Guardians,

I am thrilled to welcome you all to the 2024-25 academic year. We are anticipating another productive partnership with you to ensure our students achieve their highest potential. We acknowledge that to be successful in a school, our students need support from both home and school. We're therefore assured that a strong partnership with you will make a profound difference in your child's education.

Let's also be reminded that punctuality is of utmost importance. Please adhere to the school timings.

On another note, we have noticed a bit of a queue at pick up time and would love to make this process as smooth as possible. As parents, if you could have a sign in the front window with your child's name (just from when you join the queue) this would greatly assist our teachers and carpark attendants to have your child ready and waiting for you!

Looking forward to a productive year ahead.

Regards

Mrs Phiri
