**GOOD VIBES ONLY!!**

Dear Parents and Guardians,

It is my pleasure to welcome you all to the new school term at Nyasa International Academy. To our returning families, we are delighted to continue this journey of learning and growth with you. To our new parents, we extend a special welcome as you join our school community.

Once again, as with the past years, we are proud to announce that our Year 6 pupils achieved outstanding results in the recent Checkpoint examinations. This success reflects the diligence of our students, the commitment of our staff, and the unwavering support of our parents.

As we embark on this new term, I kindly remind parents to ensure that children arrive punctually each morning, ready for their lessons. Discipline and consistency remain essential to academic and personal success. In addition, all pupils are expected to wear the correct school uniform, bring adequate drinking water to prevent dehydration, and wear hats or caps for protection from the heat.

At NIA, we believe in nurturing an environment of excellence, discipline, and care. Together, we can support our children in achieving their fullest potential.

Let's remember the great words of Nelson Mandela- *"Education is the most powerful weapon which you can use to change the world."*

I look forward to a productive and successful term ahead.

Yours sincerely,  
Mrs Phiri
