### MESSAGE FROM THE HEAD

Dear Parents and Guardians,

On behalf of the entire school community, I would like to warmly welcome you to the new term. We are delighted to begin this journey together- with the Almighty's guidance- and look forward to another exciting period of learning, growth, and achievement for our learners.

Your continued support and partnership play a vital role in the success of our school. When parents, teachers, and learners work together, we create an environment where children feel supported, motivated, and inspired to do their best both academically and socially.

As we move forward this term, we remain committed to providing a safe, caring, and stimulating learning environment that nurtures each child's potential. We encourage you to stay engaged with school activities, communicate openly with teachers, and participate in upcoming events and programs.

Thank you for your trust and cooperation. We look forward to a productive and successful term ahead. God bless you all.

Warm regards,  
**Mrs Phiri**

*We are community*

## Teachers' Assembly ✨

Our teachers led a wonderful assembly, and the students thoroughly enjoyed watching their teachers take the stage and perform. It was a lively and engaging experience that brought smiles and excitement to everyone present.

## Reception Excursion to SAIPS

Our Reception learners visited Saips, where they enjoyed feeding the animals and seeing them up close. The trip helped them connect what they have been learning in class about animals, planting seeds, and how plants grow. It was exciting to watch the children relate classroom knowledge to real life experiences, as they explored how to care for plants and animals.

## Year 2 Excursion to the stables 🐎🌿

Our Year 2 learners enjoyed an exciting excursion to the Stables, where they had the chance to see and feed horses. They also explored how different crops grow and asked thoughtful questions throughout the tour. It was wonderful to see their smiles and curiosity as they learned outside the classroom. Enjoying learning through fun!
