Dear Parents and Guardians,

I'd like to extend a warm welcome as we begin this new school term. I trust that you and your families had a restful break and are ready to embark on what will be a particularly important and busy period for our students.

This term is marked by significant academic milestones, most notably the Checkpoint and IGCSE examinations. These assessments represent crucial stages in our students' educational journey, and we are committed to ensuring that they are well-prepared and supported throughout.

We kindly seek your continued cooperation in reinforcing effective study habits at home, encouraging balance between academic focus and well-being, and offering reassurance during this demanding time. Your partnership is invaluable in helping our students approach these examinations with confidence, resilience, and determination.

We thank you for your unwavering support and look forward to working together to ensure the success of all our learners.

Yours sincerely,

Mrs Phiri
